HYATT REGENCY TULSA DOWNTOWN

Who We are

Chartered in 1986, the Oklahoma Human Resources State Council (OKHR) serves more than 16,000 human resource professionals within our state through our education and advocacy efforts and networking opportunities. OKHR hosts an annual Conference and Expo to continue our mission of Advancing the Profession while Serving the Professional.

Highlights of participating include:

- » Our Conference & Expo connects you to valuable resources, products, and services
- » Cutting edge Keynote Sessions with presentations from nationally known speakers covering HR and leadership topics
- » Breakout sessions featuring national and state experts
- » Continuing education credits for Certified Human Resource Professionals
- » An Exhibit Hall Welcome Reception and Evening Networking Event.

REACH THE DECISION-MAKERS

The OKHR Conference offers great marketing opportunities for any company seeking to be in front of the leaders and decision-makers who work in human resources. By choosing to exhibit and sponsor, your company will be offered prime-time space to showcase your company products and services during the two and a half-day event that combines exceptional educational programs and networking opportunities.

These individuals come from across the State of Oklahoma to:

- » Shorten the buying process by working with the company representatives face-to-face
- » See products and services demonstrated firsthand
- » Compare company products and services with other suppliers

As an exhibitor or sponsor, this is a great opportunity to show your company's commitment within a very influential marketplace, while enhancing visibility and achieving public relations and/or marketing/ advertising goals. Attendees will have the opportunity to visit the exhibit area throughout the conference and are encouraged to meet with every vendor.
